ABOUT THIS YEAR'S T-SHIRT DESIGN

To honour their history, the Fox family liaised with Métis Nation BC to create this year's t-shirt. The design celebrates Terry's heritage, with illustrations of traditional Métis floral beading created by Métis artist Mal Blondeau (the Métis are known as the Flower Beadwork People.) The flowers chosen honour the land where Terry's ancestors lived: the prairie crocus of Manitoba and the wild prairie rose of North Dakota.

The Foundation's mission - to fund cancer research - is written in English, French and the Métis traditional language of Michif, as is the phrase "Try like Terry", in honour of his remarkable effort. The back of the shirt includes a mouse track beading border with the Métis infinity symbol.
